The Pecan Newsletter is your weekly guide to grower prices and crop status throughout the harvest season, for growers throughout the country.

\$85 per year by email or \$100 per year by mail and email per subscription.

Emailed or mailed first-class every Friday from September 18 until mid January.

Includes reports and first-hand observations from both growers and buyers throughout the pecan belt. Offers growers a weekly update on harvest progression and price movement. Provides information on commercial meat price, crop reports, and industry reactions to various seasonal developments. Keeps growers informed and is the best way to get the best price for your pecans!
